Circulet Pendant

DESCRIPTION

Thousands of shallow grooves are hand-carved into the finely sandblasted surface of an elliptical glass shade of the Circulet pendant light from Tech Lighting. When illuminated, the warm color dimming LED interacts with the rich textures to create a warm, glowing aesthetic. Includes low-voltage, 35 watt halogen bi-pin lamp or 8 watt, 300 delivered lumen, 3000K replaceable LED SORAA® module and six feet of field-cuttable cable. Dimmable with low-voltage electronic or magnetic dimmer (based on transformer). Works with SORAA.

INSTALLATION

Socket terminates with FreeJack male connector, which may be installed into a system connector. Elements ordered with a system prefix include a connector for that system. For use on T~TRAK, order FreeJack version and T~TRAK FreeJack Connector (sold separately).
